

# NOTICE TO PURCHASER OF SPECIAL TAXING OR ASSESSMENT DISTRICT

The real property that you are about to purchase is located in the Cimarron Municipal Utility District (the "District") and may be subject to District taxes or assessments. The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds. The current rate of the District property tax is \$0.32 on each \$100 of assessed valuation.

The District may impose assessments and issue bonds and impose an assessment in payment of such bonds. The rate of the district assessment is \$0.32 on each \$100 of assessed valuation.

The total amounts of bonds payable wholly or partly from excluding any bonds or any portions of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters are:

\$6,000,000 for refunding bonds.

The aggregate initial principal amounts of all such bonds issued is:

The district sought and obtained approval of the Texas Commission on Environmental Quality to adopt and impose a standby fee. The amount of the standby fee is \$0. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the District stating the amount, if any, of unpaid standby fees on a tract of property in the District.

The District is located wholly or partly within the corporate boundaries of the City of Houston. The municipality and the District overlap, but may not provide duplicate services or improvements. Property located in the municipality and the District is subject to taxation by the municipality and the District.

The District has entered into a strategic partnership agreement with the City of Houston. This agreement may address the timeframe, process, and procedures for the municipal annexation of the area of the District located in the municipality's extraterritorial jurisdiction.

The purpose of the District is to provide water, sewer, drainage, flood control, parks and recreational facilities and services. The cost of District facilities is not included in the purchase price of your property.
